Offg: *Excise Commissioner in Mysore.*

To

K. R. Srinivasiengar, Esq., M.A.,

Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

Adverting to your letter No. Fl.52/S.R.249-11-2, dated the 6th Instant, enquiring how the necessity for a bottle warehouse has arisen now, and what arrangements are in force at present, I have the honor to submit herewith copy of letter dated the 21st August 1911 from Messrs. A.Narrainswamy Mudaliar and Co., and M.Bajjanna and Sons, Arrack Manufacturers to the Government of Mysore, explain-ing the necessity for constructing a larger Store room for empty bottles, and the arrangements that are in force at present.

2. With the increase of the bottling charges, sanctioned in Government Order No. H 4390-1 / S R 204-08-2 dated 1st April 1909 the Manufacturers are restricted to use only bottles of correct capacity (quarts and pints) and this entails upon their getting these bottles direct from England, from bottle-makers and not buying empty bottles of any size locally. These consignments have to be got in time and stored.

3. As it is reported that large consignments of bottles are expected shortly and as no room is available to store them, the accommodation available at present being a small one, the construc-tion of the proposed warehouse requires to be taken up at once, and I therefore request that the sanction of Government solicited in ~~my~~ letter No.10066, dated the 20th June 1912 may be kindly

obtained

4. I may add that the Manufacturers will be required to pay rent at the building at the usual rate.

I have the honor to be,

Sir,

Your most obedient servant,

Offg: Excise Commissioner.

Copy of letter dated 21st August 1911 from Messrs. A. Narrainsawmy Mudaliar and Co., and M. Bajjanna and Sons, Arrack manufacturers to the Government of Mysore to the Excise Commission-er in Mysore, Bangalore.

We have the honor to request that you will kindly arrange for a larger store room for Empty Bottles, as the one we have now in use is not sufficiently large enough to hold a quarter of our - - supply.

The sales of special liquors and bottled arrack and Jaggery spirit is steadily increasing and we must therefore obtain larger and larger supplies of Empty bottles from Europe, and so we wish for a larger storage room for keeping them in safe custody, as at present we have to keep them out in the open and pilfering takes place.

The present site would be convenient and we should require a room about 20 X 100 X 12 ft. high.

Offg: Excise Commissioner.
